Treasurer Nominee: Ross Wade

I've lived in Travis Landing since Nov. 1998 after moving from the Orlando area of Florida. I'm originally from Michigan. My background is in the Real Estate industry in Florida and Mortgage industry in both Florida and Texas. Currently I'm working as a personal banker with Wells Fargo in Lakeway. As a good neighbor, I think that anyone that can help their neighborhood should. We all have different skills, differing time limits and schedules and things will work the best if we all pitch in here and there. I guess that now is the time for me to make the time to help the neighborhood. I'm ready to do my part.

Board Nominee #1 Diane Zbasnik

My husband, Dave, and I bought our house in Travis Landing in the fall of 2002. We have lived in Austin off and on for 20 years. We rented in Travis Landing in 1993 and loved the neighborhood. We were thrilled when we had an opportunity to buy here. Our intention is retire in this house several years from now. In my past life, I was a safety engineer but now work in religious formation in the Catholic Church. We recently returned from an overseas assignment in China and are settling back into our Austin routine. I have missed being at Lake Travis and look forward to being solid part of the community.

Board Nominee #2 Janice Blanton

Like so many of us at Travis Landing, I have been coming here since I was young. My grandfather bought in Travis Landing in the late 60's and, with my uncle, built a lake house here. My family enjoyed coming as a weekend getaway for many years. Now we are building our own home here, and I would like to participate in watching over this community to keep it as nice in the future as it has been to all of us for so many years.
